Valuable Information.

Boston, Dec 12, 1869.

Gentlemen: My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with cancer, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great pain and annoyance, and knowing it to be a blood disease, I took many of the advertised blood purifiers, among which was one called Sarsaparilla, without obtaining any benefit, until I commenced taking the "Vegetable," and before I had completed the first bottle I saw that I had got the right medicine. Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man; and my skin is smooth, and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of "Vegetable." To benefit those afflicted with Rheumatism, I will make mention also of this medicine, of which I have suffered so intensely.

MR. STEVENS: Dear Sir: I have been troubled with Cancer from childhood, causing me much to be sore at times, so that I was unable to eat. I have taken many preparations, but without success. I tried your "Vegetable." After taking a few doses, I found it relieved the pain, and I continued to take it until I had taken seven bottles, when I was pronounced a well man; and my skin is smooth, and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of "Vegetable." DEAR SIR: This is to certify that I sold you a bottle of "Vegetable," at retail, sixty-three cents (63¢) per bottle, and your order, dated April 22, 1870, and can truly say that it has given the best results of any remedy, for the complaints for which it is recommended. I have seen the "Vegetable" in the hands of many of my customers testify to its merits on themselves or their friends. I have seen it cure many of the most serious cases of Rheumatism, and many cases of Cancer, and every one speaks favorably of its good effects.

MR. H. B. STEVENS: My daughter has been out of health for about two years. About a year ago she had a tumor come on her side, which was very painful. I saw your "Vegetable" in the paper, and sent to Hanger and got two bottles. She is now taking the second bottle, and her health is improved, and the tumor is going away as fast as I can see. Every one in my family knows what "Vegetable" has done for my daughter, and I am every opportunity to recommend it to those who are not aware of its great value. I am, respectfully,

LOCAL INTELLIGENCE.

CITY NOTES.

The Walkill Valley folks pay off their hands to-day.

The late rains have made the water in the creek very roly, and also caused some of a freshet.

On Saturday 60 canal boats laden with 7,566 tons of coal reached the water through the Delaware & Hudson Canal.

Business men are more hopeful. Business begins to pick up, and money moves more freely.

Mr. W. B. Fitch has just completed his new barn, on the site of the old one which was lately burned down.

Clinton avenue people are happy, for Andrew E. Jensen has opened his soda fountain.

Mr. Howard Osterhout is building a large addition to his residence on Clinton avenue.

The N. Y. & S. R. R. has the champagne whittler. He sits and whittles five or six hours on a stretch.

On Sunday afternoon the creek near the slaughterberry ferry, was so filled with vessels that arriving boat loads had difficulty in landing their towns.

The little child of James Tongue, Jr., had a narrow escape from death on Saturday. While it was looking out of a window the ash fell, cutting a severe gash in its head.

Personal.

Major A. W. Thomas, of Catskill, was in this city on Saturday.

Insufficient Fire Alarm.

It must have been apparent to everybody Saturday night that the present fire alarms are insufficient. They were rung in such a way as to confuse the few who did hear them, while the circle in which they can be heard is very limited.

A Denial.

James W. Coons, who was mentioned in connection with the row among the colored men on Thursday evening, denies that he struck a blow on the occasion, but says that on the contrary he interfered to pacify some of the combatants.

Pie Plant.

Peter Clark, the proprietor of the St. Nicholas Hotel in Pine Bush, and about the most successful gardener in these parts, on Saturday morning laid at the Freeman office a specimen of the pie plant raised by him this season. It is the largest we ever saw, and its size is only surpassed by its tenderness and crispness.

Thick Weather.

The fog on Saturday night and Sunday was so thick on the Hudson below the Highlands that most of the passenger and tow boats were forced to come to an anchor and await daylight. For that reason the boats were all behind time on their arrival home. One of the tow boats that didn't come to was the George A. Hoy of Cornwall's line, and by that token a Freeman reporter got a passage on her from Poughkeepsie home, on Sunday.

An Absconding Clerk.

The Canal Courier says of Miller, the absconding clerk of the Croton River Bank, it was generally supposed that his accounts in the bank were correct. Indeed, the officers so stated, and however strong our misgivings were as to the fact, sympathy for the fallen young man induced us to give currency to the charitable report thus started. It now transpires, after full investigation, that he stole from the bank between \$15,000 and \$20,000, which he is now supposed to be enjoying on the other side of the sea.

Canal Boat Found.

The canal boat loaded with coal which sank off Lewisburgh last fall, and which the wreckers who were here last spring were unable to find, was discovered Friday by John Anderson and Ezra Barrett of Lewisburgh, while fishing for sturgeon.

One hundred dollars reward is offered for the discovery of this boat, which these men will doubtless recover.

John and Ezra had better stop the sturgeon business and hereafter fish for canal boats. It will pay a great deal better.—Poughkeepsie Press.

Fire Uptown.

An alarm of fire was sounded upon about three o'clock Sunday morning, caused by the burning of a large barn on Hurley avenue. The fire department turned out, but before they reached the barn it was entirely destroyed, together with the contents. The barn was owned by C. M. Van Leuven and occupied by Isaac Shurtler. Van Leuven's loss will be slight, for the barn was insured, but Shurtler's loss will amount to \$500. All his farming implements were burned, also two wagons and several sets of harness. This barn had only been built a short time, and stood on the site of the one burned down about a year ago; supposed to be the work of an incendiary.

A Strange Accidence.

The Middletown Press of Thursday says: "A strange accident happened at West End, on the New Jersey Midland, this morning. The fireman of the Oswego express, John Williams, as his train was leaving West End, opened the furnace door to throw in a shovelful of coal, and as he did so, the gas burst out with such violence and force as to throw him directly off the engine. In falling he struck on his head in a culvert and was killed almost instantly. The train was running at the rate of about twenty miles an hour and the shock must have been terrific. He was taken aboard the train but died in a short time. Williams lived in West End, where he leaves a wife and two children. He is quite well known among railroad men in Kingston, and formerly worked for the N. Y. & O. Midland in the yard at this place."

Miss Evans' Lecture.

Mrs. Susannah Evans, as is known (her real name now being Mrs. Evans Peck), gave a most charming temperance lecture at the Rondout M. E. Church Sunday evening, and a very fine one at the Middletown M. E. Church on Monday evening. Mrs. Evans is of medium height, with an intellectual head, a fine delivery, musical voice, and uses appropriate gestures. A riotous crowd of poetry runs through her address, and there is a magnetism in her speech that holds her audience as with a spell. She has more logic than any lady speaker we have heard, save Mrs. Livermore. Her address was mainly devoted to the Woman's Movement.

Mrs. Peck speaks at Andes-to-night, and we hope that she will favor Rondout with another visit, as an immense number have grumbled against the untimely storm that prevented their attendance last night.

A SAD AFFAIR.

DEATH OF DR. CAMERON.

He Commits Suicide at a New York Hotel.

The following telegram announcing the death of Dr. C. C. Cameron at his own hands was received at a late hour last night:

New York, June 7.—Thursday night a stranger registered the name of C. L. Smith at the Grand Hotel. Not appearing on Saturday, the door of his room was forced, when he was found insensible, with a glass of laudanum beside him. He was taken to the Park Hospital, where he died in a few minutes. The body has been identified as that of Dr. C. C. Cameron, of Rondout, N. Y.

SARGETERIES.

—There are 1,254 volumes in the Sargeteries Circulating Library.

—Byron Cohen is studying law with E. G. Whitaker & Son.

—That corn crib on the Stony Point called by some a boat house is certainly the worst we ever saw.

—There will be a strawberry and ice cream festival held in the Congregational Church on Wednesday and Thursday evenings of this week.

—John W. Searing and Charles Davis, two Sargeteries representatives at Rutgers College, have graduated. We understand they intend to study law.

—The town Board of Excise met Friday in Clinton's office and granted six licenses, as follows: A. Martin, Jacob Becker, Jacob Young, Jacob Kaufmann, James Myers and Mrs. C. Rowe, leaving the rest to sell without licenses. One very noisy applicant, who sported a brilliant red shirt and swore by note, said if he didn't get his license, why, "just let one of them Board of Excise fellows come up for office; if I don't defeat 'em I'll have to spend every cent I'm worth, and I'm not a man of inefficiency, by—"

The Board concluded that this applicant was too much of a gentleman to run a hotel, so they didn't give him a license.

—As near as we can ascertain there are the following stores, offices, etc., situated on the main road from the dock up as far as Dr. Kimball's residence: Hardware stores four, groceries and dry goods stores together eighteen, millinery shops five, banks three, furniture stores three, confectionery stores seven, marble yard one, newspaper one, boot and shoe stores seven, tailors six, barbers five, butchers five, jewelers two, bakers two, news offices three, druggists three, coal office one, harness shops two, feed stores two, tobacconists three, leather store one, photographer one, law offices five, dentist one, insurance agencies three, and only thirty benzine or chain-lighting dealers. Comments are unnecessary.

Convention of the Board of Supervisors and Assessors of Ulster County.

The Supervisors and Assessors of Ulster county met at the Court House in Kingston on Saturday to take into consideration the propriety of assessing property at its real and true value.

The convention was organized shortly after 12 o'clock, Mr. J. H. Risley of Shandaken being chosen as Chairman and Alton B. Parker, Clerk of the Board of Supervisors, as Secretary.

All the towns were represented by Assessors except Denning and Hardenbergh, and by the following Supervisors:

Albany,.....Amaziah Noyce
Berkshire,.....Lewis Hardenbergh
Columbia,.....Richard W. Smith
Dutchess,.....James Myer, Jr.
Essex,.....Moses Stone
Franklin,.....Samuel Dill, Jr.
Hudson,.....Arthur J. Mellon
Ulster,.....Stephen Conwell
".....Luke Noone
".....Jedediah McCausland
".....Levitt Lane
".....Louis Bevier
".....Wm. H. Gedney
".....New Palmer
".....Charles L. Howk
".....John J. Hatt
".....C. H. Clearwater
".....Samuel Dill, Jr.
".....Thomas Maxwell
".....J. H. Risley
".....John G. Gray
".....Mark C. Risley

After perfecting the organization the convention adjourned until 12:30 p. m., when they re-assembled.

Mr. Parker then stated that he had been in communication with the State Assessors in regard to assessing property at its full value; that they had ordered a convention of the Supervisors and Assessors to be held in this county at a day not later than June 6th. The notice had only been received on Saturday, May 30th, and inasmuch as the mails only arrived in many towns twice in each week, it was necessary to have the convention on the last day in order to have a full representation of towns.

Mr. Mellon suggested that those present and interested in this matter, especially old Assessors, give their opinion in regard to assessing property, both real and personal, either at its full value, or in any other manner they had heretofore been in the habit of assessing.

A general discussion then entered into; some of the speakers claiming they had nearly completed their rolls, and could not re-assess by July 1st, the time when the rolls are to be completed, for review, while others said they had done little or nothing in the matter, having delayed it, expecting a change in the manner of assessment. All seemed in favor of assessing property, both real and personal, at its full value.

The following resolution, offered by Mr. Elmsdorf of Hurley, and amended by Mr. Mellon of Rondout, was unanimously adopted:

Resolved, That it is the opinion of the Board of Supervisors and Assessors of Ulster county that all property, both real and personal, should be assessed at its full and true value.

Mr. Mellon moved that inasmuch as an opinion had been arrived at, according to the State Assessor's call, the Convention should adjourn. Carried.

It seems quite a number of the assessors were of the opinion that the Convention was called to change the manner of assessing property this year. This was a mistake, as it was only to ascertain the opinion of the Supervisors and Assessors in regard to assessing property at its full value. Sixteen counties concur in this respect, and Ulster county makes seventeen.

More Material for Novel Writing.

The Montgomery correspondent of the Middletown Press writes that a young woman, a member of the Reformed Church, has had a marriage certificate for over two years, but the legitimacy of her child was questioned, and his friends asserted that he had not been married. The clergyman whose name was on the certificate as the solemnizer of the marriage died soon after the time on which the ceremony was alleged to have been performed. The families of both parties were in good social and moral standing, and the Consistory of the church did not know how in the premises to act.

One day last week, however, the young man appeared before the pastor, Rev. Mr. Brett, with the young woman, and acknowledged her to be his lawful wife and the certificate to be regular and correct; whereupon the clergyman, at the request of the parties, who deemed it fitting to have some form of confirmation of a union so long outwardly in abeyance, pronounced them a wedded pair.

Rhinobek District Conference.

The Rhinobek District Conference met at the Memorial M. E. Church at Rhinobek, Thursday, June 4th. Rev. S. J. Ferguson, P. E., conducted the opening services, assisted by Rev. A. McLean and A. Hunt.

On motion Rev. A. McLean was elected as Secretary, Rev. J. H. Lane, Assistant Secretary.

The report of pastors was taken up and the following places were reported: Hudson, Claverack, Hyde Park, Chatham, Stockport, Ancram, Milan, Union Corners, Milford, Lakeville, Canaan, Falls Village, Lee, West Taghkanic, Pine Plains and Pleasant Valley, and in all these was a showing of some improvement in the general interests of the church. Special reference was made in one or two instances of the support of social meetings—which brought out some discussion as to the best means of securing a full attendance at such means of grace. Fifty-eight delegates were reported present. Rev. D. Curry, D. D., of the Christian Advocate, and Rev. A. J. Rynett, D. D., of the Church Extension Society, were also present and represented the special interest of the church in their official relations. We also noticed several visiting brethren from the adjoining districts: Revs. G. E. Clark of Catskill, W. Browning of Brooklyn and Judge Tallman of Poughkeepsie. The characters of local preachers and exhorters were examined; two were reported as removed from the district. Three young men were examined and licensed as local preachers. Essays were read on pastoral visiting, church finances, preaching, woman's work, attendance of children at public service in the church, and the temperance reform in 1874. On Wednesday the Conference was invited to dine in the chapel, the ladies having arranged for refreshments. The social element largely prevailed during the entire session, and aside from the regular routine of conference business, discussion was had on the question of licensing women in the church to preach, and the holding of camp meetings over the Sabbath with open doors and free to all. The time was fixed for holding the district camp meeting at Canaan, Conn., opening August 24th, and continuing ten days. Hillsdale was fixed as the place for holding the next Conference. The delegates were kindly entertained by the good people of Rhinobek, whose generous hospitality made their stay a very pleasant one. The Conference adjourned on Wednesday evening.

Another Grab by Van Aken.

At the meeting of Trojan Division, No. 23, Sons of Temperance, last evening, the Entertainment Committee, consisting of brothers Thayer, Rose and Kay, presented the following programme: Readings by sisters Sears, Shock and Sullivan; also by brothers Richard, Bennett and Thayer; and a very fine essay by brother Rose. G. L. Boker, a new member, responded to a call in a very neat little speech. During the meeting a brother from Minneapolis Division, Kingston, N. Y., appeared to Trojan Division for money to take him to his home in Niagara. The members saw that the brother was provided for during the night, and this morning he took the train for the west with a well-filled purse, made up by the members of the Division.—Trojan Times.

Bounced Him.

Louis Appleton, the proprietor of the Opera House, is a man of muscle, as one brawling caneller found out Saturday night. The caneller came in the Opera House intoxicated and made considerable noise, when Appleton requested him to keep still, saying no rum was sold there and no drunken men would be allowed to disturb the audience. With this remark, the caneller proceeded to comply, so Louis, grasping him firmly, "bounced" him out of the room and down the stairs, at the foot of which he arrived in a somewhat bewildered state, the result of his rapid transit, and with the flaming garment which covered his manly form somewhat the worse for the encounter.

Fire Alarm.

The explosion of a lamp in the saloon of Mrs. Castor about ten o'clock Saturday night caused an alarm of fire. Beyond a bad scare and some excitement no injury was done.

COUNTY.

The roads in the lower part of the county are in a shocking condition.

—New Palis has three ice cream saloons and even the rival newspapers can keep cool.

—No licenses have been granted in New Palis, but the liquor dealers sell just the same.

—The Whiteport nine played a match of baseball with a picked team at Creek Locks on Thursday and beat them handsly.

—The Temperance people of Glasco have entered complaints against Joseph Batts, David Elvie and Theron Delano for selling liquor without a license.

—Mr. Smiley is furnishing the new part of the Mohawk House, which is now complete. The house can now accommodate 300 boarders.

—Rev. W. M. Vroom was installed pastor of the Reformed Church of High Falls on Sunday afternoon. Revs. Peltz, Harbort and Libenau officiated.

—H. B. Deyo of Highland has a kite seven feet long, but he can't hold it alone in a stiff breeze. If he should try it he would go a-kiting.

—A horse belonging to Dr. J. D. Warts of New Palis was found dead in his stable Monday morning. He had been tied too long, and had turned partially around and lain down, from which position he could not recover.

—A snake twenty-two inches in length was found on the upper floor of Schoonmaker's door mill at High Falls the other day. How it came there is a mystery. Its only possible way was by climbing two flights of stairs.

—We believe the only relic of the late fire at Rosendale is in the possession of Mr. S. Hyatt. It is nothing else than a clam, which was lying in his shop at the time of the fire. It was accidentally picked up the day after the conflagration, and was found to be in a perfect state of petrification.—New Palis Independent.

A Noble Act.

The Port Jervis Gazette tells how Wm. Van Wormer, in attempting to save the life of a child at the Erie Railway depot in that place, Thursday afternoon, nearly lost his own. The child, a small girl, was standing on the track, leaning against the depot platform. The mail train had just arrived, and was backing down. The child did not observe the cars, which were rapidly nearing her. The bystanders saw the situation. Mr. Van Wormer was standing near, and realizing that the child's life depended upon its being immediately rescued, sprang to the spot, took her by the shoulder and threw her across the track and out of danger. He then undertook to save his own life, and leaped far enough to escape being killed, although he was caught by a car and one of his limbs was somewhat bruised. The entire proceeding did not occupy but a few seconds, and the spectators were for the time electrified with fear. It was a noble act on the part of Mr. Van Wormer, and he deserves the heartfelt thanks of the child's friends and the public also.—Middletown Mercury.

LOCAL INTELLIGENCE.

CITY NOTES.

The Walkkill Valley folks pay off their hands to-day.

The late rains have made the water in the creek very rusty, and also caused some of a freshet.

On Saturday 60 canal boats laden with 7,500 tons of coal reached tide water through the Delaware and Hudson Canal.

Business men are more hopeful. Business begins to pick up, and money moves more freely.

Mr. W. B. Fitch has just completed his new barn, on the site of the old one which was lately burned down.

Clinton avenue people are happy, for Andrew E. Jensen has opened his shoe fountain.

Mr. Howard Osterhout is building a large addition to his residence on Clinton avenue.

The N. Y. K. & S. R. R. has the champion whittler. He sits and whittles five or six hours on a stretch.

On Sunday afternoon the creek near the Sleighbush ferry, was so filled with vessels that arriving boat loads had difficulty in landing their tows.

The little child of James Tongue, Jr., had a narrow escape from death on Saturday. While it was looking out of a window the sash fell, cutting a severe gash in its head.

Major A. W. Thomas, of Catskill, was in this city on Saturday.

Personal.

Major A. W. Thomas, of Catskill, was in this city on Saturday.

Insufficient Fire Alarm.

It must have been apparent to everybody Saturday night that the present fire alarms are insufficient. They were rung in such a way as to confuse the few who did hear them, while the circle in which they can be heard is very limited.

A Denial.

James W. Coons, who was mentioned in connection with the row among the colored men on Thursday evening, denies that he struck a blow on the occasion, but says that on the contrary he interfered to pacify some of the combatants.

Pie Plant.

Peter Clare, the proprietor of the St. Nicholas Hotel in Pine Bush, and about the most successful gardener in these parts, on Saturday morning left for the Freeman office a specimen of the pie plant raised by him this season. It is the largest we ever saw, and its size is only surpassed by its tenderness and crispness.

Thick Weather.

The fog on Saturday night and Sunday was so thick on the Hudson below the Highlands that most of the passenger and tow boats were forced to come to an anchor and await daylight. For that reason the boats were all behind time on their arrival home. One of the tow boats that didn't come to was the George A. Hoyt of Cornwall line, and by that token a Freeman reporter got a passage over from Poughkeepsie home, on Sunday.

An Ascending Clerk.

The Carmel Courier says of Miller, the ascending clerk of the Croton River Bank, it was generally supposed that his accounts in the bank were correct. Indeed, the officers so stated, and however strong our misgivings were as to the fact, sympathy for the fallen officer man induced us to give currency to the charitable report thus started. It now transpires, after full investigation, that he stole from the bank between \$15,000 and \$20,000, which he is now supposed to be enjoying on the other side of the sea.

Canal Boat Found.

The canal boat loaded with coal which sank off Lewisburgh last fall, and which the wreckers who were here last spring were unable to find, was discovered Friday by John Anderson and Ezra Barrett of Lewisburgh, while fishing for sturgeon.

One hundred dollars reward is offered for the discovery of this boat, which these men will doubtless recover.

John and Ezra had better stop the sturgeon business and hereafter fish for canal boats. It will pay a great deal better.—Poughkeepsie Press.

Fire Prevailed.

An alarm of fire was sounded upon about three o'clock Sunday morning, caused by the burning of a large barn on Hurley avenue. The Fire Department turned out, but before they reached the barn it was entirely destroyed, together with the contents. The barn was owned by C. M. Van Leuven and occupied by Isaac Shurtz. Van Leuven's loss will be slight, for the barn was insured, but Shurtz's loss will amount to \$500. All his farming implements were burned, also two wagons and several sets of harness. This barn had only been built a short time, and stood on the site of the one burned down about a year ago; supposed to be the work of an incendiary.

A Strange Accident.

The Middleton Press of Thursday says: "A strange accident happened at West End, on the New Jersey Midland, this morning. The fireman of the Oswego express, John Williams, as his train was leaving West End, opened the furnace door to throw in a shovelful of coal, and as he did so, the gas burst out with such violence and force as to throw him entirely off the engine. In falling he struck on his head in a culvert and was killed almost instantly. The train was running at the rate of about twenty miles an hour and the shock must have been terrific. He was taken aboard the train but died at short time. Williams lived in West End, where he leaves a wife and two children. He is quite well known among railroad men in Middle town, and formerly worked for the N. Y. & O. Midland in the yard at this place."

Miss Evans' Lecture.

Miss Susannah Evans, as she is known (her real name now being Mrs. Evans Peck), gave a most charming temperance lecture at the residence of Mr. E. Church Sunday evening, and a very fine one at Music Hall in the afternoon. Mrs. Peck is of medium height, with an intellectual head, a fine delivery, musical voice, and uses appropriate gestures. A rich vein of poetry runs through her addresses, and there is a magnetism in her speech that holds her audience as with a spell. She has more logic than any lady speaker we have heard, save Mrs. Livermore. Her address was mainly devoted to the Woman's Movement.

Mrs. Peck speaks at Andes tonight, and we hope that she will favor Rondout with another visit, as an immense number have a grudge against the untimely storm that prevented their attendance last night.

A SAD AFFAIR.

DEATH OF DR. CAMERON.

He Commits Suicide at a New York Hotel.

The following telegram announcing the death of Dr. C. C. Cameron at his own hands was received at a late hour last night:

New York, June 7.—Thursday night a stranger registered the name of C. L. Smith at the Grand Hotel. Not appearing on Saturday, the door of his room was forced, and he was found insensible, with a glass of laudanum beside him. He was taken to the Park Hospital, where he died in a few minutes. The body has been identified as that of Dr. C. C. Cameron, of Rondout, N. Y.

SAUGERTIES.

—There are 1,254 volumes in the Saugerties Circulating Library.

—Byron Cohen is studying law with E. G. Whitaker and Son.

—That corn crib on the Stony Point called by some a boat house is certainly the worst we ever saw.

—There will be a strawberry and ice cream festival held in the Congregational Church on Wednesday and Thursday evenings of this week.

—John W. Searing and Charles Davis, two Saugerties representatives at Rutgers College, have graduated. We understand they intend to study law.

—The town Board of Excise met Friday in Cantine's office and granted six licenses, as follows: A. Martin, Jacob Becker, Jacob Young, George Kauffman, James Myers and Mrs. C. Rowe, leaving the rest to sell without license. One very noisy applicant, who sported a brilliant red shirt and a sword by his side, said if he didn't get his license, why, "just let one of them Board of Excise fellows come up for office; if I don't defeat 'em if I have to spend every cent I'm worth, and I'm a man of infirmities, by—!" The Board concluded that this applicant was too much of a gentleman to run a hotel, so they didn't give him a license.

—As near as we can ascertain there are the following stores, offices, etc., situated on the main road from the dock up as far as Dr. Kimball's residence: Hardware stores four, groceries and dry goods stores together eighteen, millinery shops five, banks three, furniture stores three, confectionery stores seven, marble yard one, newspaper one, boot and shoe stores seven, tailors six, barbers five, butchers five, jewelers two, bakers two, news offices three, druggists three, coal office one, harness shops two, feed stores two, tobacconists three, leather store one, photographer one, law offices five, dentist one, insurance agencies three, and only thirty benzine or chain-lighting dealers. Comments are unnecessary.

—The town Board of Excise met Friday in Cantine's office and granted six licenses, as follows: A. Martin, Jacob Becker, Jacob Young, George Kauffman, James Myers and Mrs. C. Rowe, leaving the rest to sell without license. One very noisy applicant, who sported a brilliant red shirt and a sword by his side, said if he didn't get his license, why, "just let one of them Board of Excise fellows come up for office; if I don't defeat 'em if I have to spend every cent I'm worth, and I'm a man of infirmities, by—!" The Board concluded that this applicant was too much of a gentleman to run a hotel, so they didn't give him a license.

Rhinbeck District Conference.

The Rhinbeck District Conference met at the Memorial M. E. Church at Rhinbeck, Thursday, June 4th. Rev. S. J. Ferguson, P. E., conducted the opening services, assisted by Rev. A. McLean and A. Hunt.

On motion Rev. A. McLean was elected as Secretary, Rev. J. H. Lane, Assistant Secretary.

The report of pastors was taken up and the following places were reported: Hudson, Claverack, Hyde Park, Chatham, Stockport, Ancram, Milan, Union Springs, Millerton, Lakeville, Canaan, Falls Village, Lee, West Taghkanic, Pine Plains and Pleasant Valley, and in all these was a showing of some improvement in the general interests of the church. Special reference was made in one or two instances of the support of social meetings which brought out some discussion as to the best means of securing a full attendance at such means of grace. Fifty-eight delegates were reported present. Rev. D. Curry, D. D., of the Christian Advocate, and Rev. A. J. Ryndel, D. D., of the Church Extension Society, were also present and represented the special interest of the church in their official relations. We also noticed several visiting brethren from the adjoining districts: Revs. G. E. Clark of Catskill, W. Browning of Brookline and Judge Tallman of Poughkeepsie.

The characters of local preachers and exhorters were examined; two were reported as removed from the district. Three young men were examined and licensed as local preachers. Essays were read on pastoral visiting, church finances, preaching, woman's work, attendance of children at public service in the church, and the temperance reform in 1874. On Wednesday the Conference was invited to dine in the chapel, the ladies having arranged for refreshments. The social session largely prevailed during the entire session, and aside from the regular routine of conference business, discussion was had on the question of licensing women in the church to preach, and the holding of camp meeting over the Sabbath with open doors and free to all. The time was fixed for holding the district camp meeting at Canaan, Conn., opening August 24th, and continuing ten days. Hillsdale was fixed as the place for holding the next Conference. The delegates were kindly entertained by the good people of Rhinbeck, whose generous hospitality made their stay a very pleasant one. The Conference adjourned on Wednesday evening.

A Noble Act.

The Port Jervis Gazette tells how Wm. Van Wormer, in attempting to save the life of a child at the Erie Railway depot in that place, Thursday afternoon, nearly lost his own. The child, a small girl, was standing on the track, leaning against the depot platform. The mail train had just arrived, and was backing down. The child did not observe the cars, which were rapidly nearing her. The bystanders saw the situation. Mr. Van Wormer was standing near, and realizing that the child's life depended upon its being immediately rescued, sprang upon the spot, took her by the shoulder and threw her across the track and out of danger. He then undertook to save his own life, and leaped far enough to escape being killed, although he was caught by a car and one of his limbs was somewhat bruised. A few seconds, and the spectators were for the time electrified with fear. It was a noble act on the part of Mr. Van Wormer, and he deserves the heartfelt thanks of the child's friends and the public also.—Middleton Mercury.

Another Grab by Van Alen.

At the meeting of Trojan Division, No. 23, Sons of Temperance, last evening, the Entertainment Committee, consisting of brothers Thayer, Rose and Kay, presented the following program: Readings by sisters Sears, Shook and Sullivan; also by brothers Richard, Bennett and Thayer, and a very fine essay by brother Rose. C. L. Baker, a new member, responded to a call in a very neat little speech. During the meeting a brother from Minnehaha Division, Kingston, N. Y., appealed to Trojan Division for money to take him to his home in Niagara. The members saw the brother was a poor fellow, and during the night, and this morning he took the train for the west with a well-filled purse, made up by the members of the Division.—Troy Times.

Bounced Him.

Louis Appleton, the proprietor of the Opera House, is a man of much sagacity, as one hearing cannel found out Saturday night. The cannel came in the Opera House intoxicated and made considerable noise, when Appleton requested him to keep still, saying no rum was sold there and no drunken men would be allowed to disturb the audience. With this moderate request the cannel neglected to comply, so Louis grasping him firmly, "bounced" him out of the room and down the stairs, at the foot of which he arrived in a somewhat bewildered state, the result of his rapid transit, and with the flaming garment which covered his many form somewhat the worse for the encounter.

Dr. Walker's California Vinegar Bitters.
Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion of Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of Dr. Walker's Vinegar Bitters are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful remedy that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Stomach, Constipation, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, Dr. Walker's VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To prevent against this, take a dose of Walker's VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors, and Diseases of the Skin of whatever nature or nature, are literally day by day carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectively destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
